MISSION STATEMENT

Redeemer Day School is a ministry of Redeemer Presbyterian Church, P.C.A. The program is committed both in and out of the classroom to directing the development of students and enables them to translate the experience they receive here into Christian living. We use a hands-on, engaging, age-appropriate, Bible-based curriculum to encourage children to explore God's world. We believe that all aspects of our lives are to be lived to the glory of God under the Lordship of Jesus Christ and strive to instill this truth in our children.
